

Sustainability Analyst Intern

Job Description

Czarnikow – March 2022

About Czarnikow

Czarnikow is a global supply chain solutions company with 160 years of experience in commodity trading, whose purpose is to exert a positive economic and sustainable influence in its food, beverage, and energy supply chains. CZ buys, sells, moves and de-risk commodities through a range of services including trade finance, commodities trading, analysis, freight, logistics and price risk management.

We are an entrepreneurial company, with innovation at the heart of everything we do. We are open to change, as shown through the recent expansion of our product portfolio and move into energy. Our people are our most valued asset and make the business what it is today. We hope that you will join our team.

Why work at Czarnikow

Czarnikow offers the chance to join a dynamic and exciting team of professionals, who are building a company with great potential. In addition, we offer:

- A hybrid of remote working and a prestigious office location in the heart of London
- Competitive salary and discretionary bonus structure
- Free breakfasts, soup and smoothies, as well as frequent office food events
- Health and wellbeing initiatives, bike to work scheme, 7-a-side football team and netball team
- Life, health and dental insurance
- Learning and development opportunities
- A collaborative and collegiate work environment and culture
- Charity fundraising and volunteering opportunities
